Al Lettore

~~Avviso~~

I Documenti dall'anno 1317 all'anno 1332 che ora si pubblicano debbono considerarsi non soltanto una controprova degli argomenti contro il soggiorno di Dante in Friuli, ma ezi-andio il fondamento della Storia friulana di quel periodo di tempo, e l'addentellato per la pubblicazione di tutti i Documenti del tempo precedente e susseguente. Ho posto ogni cura per non ommetterne niuno, ne' mi sono contentato dei Diplomatarj esistenti presso i raccoglitori delle patrie cose: ma ho rovistato gli archivi, ho cercato i protocolli ori-ginali, ho insomma ripurgato e completato il Diplomatario di quel periodo, per quanto possono zelo e pazienza. Tuttavia qualche atto importante potrebb'essere sfuggito al-le mie indagini. Chi per avventura me ne sapesse additare qualcuno, e mi desse facol-tà di trascriverlo, sicchè potessi darlo in appendice ai due volumi, obbligherebbe la mia riconoscenza, e bene meriterebbe della Storia patria —.

Et maxima multitudo vini et olei et argenti et [illegible] rerum quarum longum esset per singula enarrare.

In praesenti hieme [illegible] maximum [illegible] unde omnes quasi [illegible] mortue fuerunt et vite pro maxima parte.

1317

Anno Domini MCCCXVII. Per totum annum mortua sunt armenta.

De quatuor exeunte Decembri, electus fuit D. Arteicus de Castello Episcopus Concordiensis per mortem D. Iacobi Ottonelli Episcopi Concordiensis.

Eodem anno tanta fuit abundantia vini in anno praesenti quod homines non habebant unde reponerent vinum neque portabant eorum dolia in quibusdam locis, et hoc fuit per totum Forum Julii. Omnes repudiabant emere vinum, nec valebant octo Aquilegenses dena pro urna.

Prima die Ianuarii Dominus Papa praefecit D. Castonum de la Turre, tunc Mediolanensem Archiepiscopum, Patriarcham Aquilegensem.

Creatus fuit Patriarcha Archiepiscopus Mediolanensis de domo illorum de la Turre per Dominum Papam, et gratia ipsius Patriarchae Raymundi, qui erat Vicarius qui concessit cum D. Comite Goritiensi qui recepit omnes munitiones Patriarchatus praeter tamen quas retinuit in se per decem menses videlicet Sacilum et Canevam quas obligaverat D. Riccardo de Camino.

Rexit se per XXX et dimidium menses et dies XVIII. intrante Augusto Florentiae mortuus est. Veniens enim de Curia ad Patriarchatum nondum venerat in Forojulio, et dum faceret aliquam moram Florentiae propter infirmitatem suam et familiae, et jam erat liberatus et praeparaverat equos et familiam, eundo uno mane ad solatium equus quem equitabat cecidit super eum, et mortuus est eadem die hora secunda.

Quo facto Dominus Comes obtinuit omnes munitiones Patriarchatus praeter Utinum et Glemonam in quibus habebat tamen suos Gastaldiones et multa jura spectantia Patriarchae, et factus fuit capitaneus generalis

generalis totius Foriiulii et X intrante septembri canonici Aquilegenses elegerunt Patriarcham, [illegible] anno Domini M ccc XVIII. dum hec que dicta sunt supra mortem Patriarche facta sunt in mense Augusti et Septembris

1315.

Mense Ianuarii Dominus Canis obtinuit Montemsilicis cum toto Castro et Terra propter proditionem quorundam nobilium de Terra, ubi maxima spolia habuit Terram [illegible] destruxit. [illegible] occupavit et [illegible] um mense [illegible] ante civitatem Padue in sequenti mense Februarii cum magno exercitu venit ante burgos Padue expugnando ipsos. Paduani vero non audebant exire et timebant proditionem inter se, sed omnes nobiles qui erant extra foris stabant et custodiebant civitatem cum Domino [illegible] de [illegible] quem fecerunt novum Capitaneum cum ducentis stipendiariis [illegible] et [illegible] eodem mense Paduani [illegible] cum Domino Cane [illegible] ut [illegible] Montemsilicem cum [illegible] munitionibus, et omnes expulsi [illegible] infra duos menses redirent [illegible] suorum bonorum, et omnes forbanniti de Verona et de Vicentia debeant expelli de Padua, quod fuit maximi vituperii Paduanorum.

Eodem anno in vigilia sancti Bartolomei circa dimidiam noctem ignis [illegible] est in Portunaonis [illegible] et combussit quasi totam terram et postmodum omnes inceperunt [illegible] de muro quia ante domus erant quasi omnes de lignamine

Primo [illegible] Tarvisinos [illegible] civitatem et [illegible] tembellanam totam, et multi nobiles Tarvisini astabant sibi inter quos [illegible] Advocati illi de Volasco et illi de Montefumo [illegible] Dominus [illegible] Floritus de Coderta, et alii quam plures, illi de Camino Superiori et Inferiori et obtinuit omnes quasi munitiones in [illegible] Tarvisina preter [illegible] et destruxit omnes burgos civitatis et quasi omnes

cives preter affidatos, et recessit circa festum Andree

Post hec D. Recello de Camino elegit concilium prius inito consilio contra Tarvisinos primo Januarii in sequenti anno apud pontem Plavi isto medio Tarvisini miserant nuncios ad curiam Ducis supponentes se domino suo qui remisit nuncios suos honorabiles Domino Cani scilicet dominum Episcopum Laventinum suum Capellanum et ejus Cancellarium.

1319

Post hec in M ccc XIX. Dominus R. Recello elegit Conegianum ab Epiphania usque ad dimidium Junii cum magno exercitu in quo extendebat ultra C. milia equorum, et tandem D. Comes Goritie ejus cognatus sub fraude removit obsidionem, et factus fuit Vicarius Tarvisii pro Duce Austrie nomine ipsius.

Dum D. Canis esset in obsidione Padue et dominus Comes Goritie esset vicarius Regis in Tarvisio concordati sunt cum juramento hoc modo quod Dominus Canis restituit Domino Comiti Montembellunam et Asilum et expulsi predicte terre debeant redire constituti in omnibus suis juribus et Comes debebat servire Domino Cani contra Paduam cum centum equitibus sed Comes de mandato Domini Regis, ut dicitur, recepit Vicariam Padue contra Dominum Canem, et ita orta est maxima discordia inter eos nec Dominus Comes poterat intrare Paduam quia Dominus Canis obsidebat eam cum maximo exercitu. Tandem D. Comes cum auxilio Domini Regis et circa Natatem ejusdem anni conduxit ultra mille elmos sine balistrariis inter quos erant multi nobiles, scilicet ille de Walse, ille de Owenstain de Tanemberch Svalant .. et alii multi quos obmitto. Perdendo transitum per Feramincii destruxerunt villas et precipue Trivignani, et cesserunt Tarvisium Tandem quia videbant non posse nocere Domino Cani convenerunt cum eo quod obsidio remaneret in suo statu et ille de Walse intravit Paduam usque ad Resurrectionem. Dominus Rex, et Dominus Comes, et ..

minus anis restant invenire apud Bolzanum, et quidquid tractaret ibi observaretur a partibus. Sed cum Dominus. Rex, D. Comes, et Dominus Canis in predicto termino non possent convenire discorditer recesserunt.

1320

Dominus Canis tenebat Paduam ita obsessam quod nullus poterat intrare, et construxerat quemdam locum circa Paduam nomine Insula de la Scala apud Pontem Bassanelli ubi habebat exercitum suum et vallaverat ita Paduam quod non poterat habere victualia et erat tantus defectus in vino quod una mensura, que consuevit haberi pro denarius parvis, valebat duos grossos et ultra; panis paruminus habebatur et multi recedebant furtim de civitate, et alii erant in desperatione. Sed tandem Dominus de Walse qui dimiserat filium suum Padue et receperat pecuniam pro stipendiariis, timore fuit ne Paduani interficerent eum propter delationem quam Paduani dicebant eum fecisse contra eos recipiendo pecuniam suam, conduxit cccc. elmos in mense Augusti, et veniendo Tarvisium una cum comite Comite Goritiensi et Tarvisinis ivit Paduam et in crastino scilicet die Sancti Augustini in nocte preparavit se cum Paduanis et per quemdam passum arctum iverunt versus Dominum Canem qui erat ex opposito cum ccccc. ultramontanis, et sponte dimisit eos venire. Sed spe sua frustratus invasit eos tarde; quia tanta multitudo jam transiverat passum ante prius potuisset non potuit eis obviare, imo conflictus fuit cum toto exercitu suo, et dimissa Insula, arripuit fugam versus Montemsilicem, deinde versus Vicentiam. In qua Insula fuerunt ultra ce interfecti et multi de Macca tuffis, et inventa fuit tanta abundantia rerum quod Paduani omnem defectum quem habuerant suppleverunt.

Postquam hec werra secuta fuit, eodem mense reversi sunt cum magno gaudio Paduam, et post duos menses Dominus Comes, et Dominus de Walse, et Dominus Canis composuerunt hoc modo, quod dominus Canis dimisit Regi Cittadellam et omnia fortilitia que habebat in districtu Paduano, excepto Montesilice et Paduani restituerunt Paduanum domino Cani scilicet ... domino Comiti Montemsilicem

[illegible] Montignanam et castrum Baldum et Dominus Comes rechibuit gratiam forbannitis laudabile. Processu vero temporis D. Comes et ille de Walse et nuntii D. Canis iverunt ad Regem Alamanie prius locum Austrie currente M ccc XXI mense Augusti et facto conventu Dominus Rex contulit Paduam Duci Karinthie, veniente illo de Walse, et ipse in Paduam cum CC armis [illegible] civitatis omnium sanctorum [illegible] in Carianensis, et in die sequenti a festo [illegible] grandio cum magno dampno rusticorum [illegible] Paduam ubi fuit receptus nomine Ducis predicti

1321

Mense Iunii Dominus Guecello de Camino [illegible] cum Episcopo [illegible] trevisi filii [illegible] Lombardis, misit pro se ad quoddam Colloquium in civitate de Belluno, et dum esset episcopus cum eo in Ecclesia [illegible] eum interfecit coram se; deinde ivit Feltrum, et occupavit eam cum magna comitiva; sed Decanus et quidam alii nobiles fecerunt contra Dominum suum qui erat nepos illorum de Romano et venerunt Domini Canis Feltrum et tradiderunt ei locum et D. Guecello arripuit fugam et ivit in Civitatem ubi fuerat interfectus episcopus, et D. Canis misit gentem suam et obsedit Civitatem sed D. Guecello cum quibusdam stipendiariis erat ibi oppositus. Tandem fecerunt treguas per totum Augustum inde producte cum intervallo usque ad festum omnium sanctorum

10 [illegible] In festo Sancti [illegible] Veneris incepit pluere de die et non multum in nocte fortiter, et in Sabbato sequenti circa tota nocte fuit maxima pluvia, pro qua facte sunt inundationes maxime aquarum per totum Forumjulii juxta flumina quarum non habebatur memoria a C annis retro atque in Alamania et Lombardia. Et Prata submersa fuit tota usque ad trabes et palatium quasi per unum passum communis; et fuit mirabile de tanta inundatione quod cadente pluvie [illegible] dierum in tertia, scilicet die

Dominica in sequenti die lune, factum fuerit illustrum Judicium.

1322.

Die jovis de mense Septembris, in festo Michaelis Dux Austrie fuit Conflictus per Dominum Ducem Bavarie et captus nomine Federicus, et cccc. nobiles Austrie cum minoribus; et ejus frater nomine Henricus qui eodem anno fuerat Dominus in Brixia.

1323.

Die septimo exeunte Aprili. Henricus Comes Goritie post prandium dum lusisset cum quibusdam militibus suis Tarvisii ad quintanam, subito supervenit quidam dolor in pectore, unde festinanter cum sua familia ivit ad palatium suum, et eundo per scalas non potuit se sustinere, et cecidit. Portatus ad lectum in momento amittens loquelam, diem clausit extremum et Tarvisini timentes Dominum Canem, elegerunt filium dicti comitis in suum Capitaneum, sicut erat dictus comes; et ille de Caino, qui tunc erat Tarvisii ejus minister, recepit Capitaneatum nomine ipsius filii qui tunc erat pupillus, sive duorum mensium.

1324

Dominus Dux Octo Austrie et Dux Karinthie in fine Maii venerunt Paduam cum duobus militibus armis et carregonis barbutis, lanceis septem millibus, pedites et rustici quatuor millibus, et transitum faciendo per Diocesim Tarvisii spoliaverunt omnes quos inveniebant, et destruxerunt quasi omnes segetes et armenta usque mestre: receperunt hoc inde Paduani. Paduani facto exercitu iverunt versus Vicentiam usque ad pontem Quartaroli et curreront teutonici ante Vicentiam et combusserunt unum burgum, et cum dampno recesserunt, Postmodum iverunt versus Montemsilicem, et per mensem et ultra stantes in obsidione receperunt maximum dampnum equorum propter infirmitatem, et multi mortui sunt ex eis, et infirmabantur multi, ita quod propter timorem infirmitatis fecerunt treuguas undecimo intrante Julio cum Domino Cane de Scala usque ad festum Resurrec-

iendi sequentis, contra velle Paduanorum et recedentes inde venerunt Paduam die dominico decimo exeunte Julio.

Dux Otto Austrie intravit Portumnaonis cum paucis, et ivit usque ad pontem primum Castri non descendens, et reversus ivit versus Turmentinus multi alii Barones extra Terram expectantes fuerant cum eo. Tunc ferebatur quod Dux Karinthie habuisset a Domino Cane XL. M. libros et ultro sed Dux Austrie nihil habuit.

Quarto exeunte Octobri Dominus Canis accepit Serravallum et primo intrante Novembri accepit Cavolanum. In Circumcisione Domini obtinuit Castrum Righinroli pro mille florenis quos dedit fillio Domini Rechi

A marzo usque ad finem Julii tempus fuit totum siccum, excepto in principio Junii in quo fuerunt magne pluvie, ante et post quasi nulle. A decima die Julii exeunte usque ad Nativitatem Domini quasi nulle pluvie et ut breviter dicam tempus totius anni fuit siccum, et magna abundantia bladi et vini. Mathiussius dictus Mus filius q.m Cavalli Antulini de Glemona petebat, ad D. i signori di Tricano son condannati a risarcire gli abitanti di S. Daniele dei danni lor arrecati

Tommaso de Tabaldis Not

Paganus Dei et Apostolica gratia S. Sedis Aquilegensis Patriarcha Nobilibus viris de Tricano Ministerialibus suis salutem; et omne bonum.

Conquesti sunt nobis habitatores nostri de S. Daniele, quod bona per vos accepta in manibus nostris; et aliis hominibus de S. Daniele, que per sacramentum extimata fuerunt coram Albertolo nostro familiari, cui commisimus audire, et extimari facere; et sub pena nostre gratie vobis per ipsum preceptum fuit dicta bona, secundum ipsam extimationem factam, eis reddere, et satisfacere debeatis ad certum terminum jam elapsum, quod facere noluistis. Quare vobis sub pena nostre gratie precipiendo mandamus, quatenus dicta bona usque diem Dominicam ad octo dies proxime futuros integre eis satisfacere, et reddere debeatis; sin autem prima die lune proxime sequente coram nobis in Utino cum omnibus vestris juribus compareatis, demonstraturi omnes vestras rationes quas habetis et quibus probare intendatis tam super nostris pravis; quam super aliis questionibus Alioquin inter vos, et ipsos de consilio sapientum, illa die diffinitivam dabimus sententiam

Datum Aquilegie, die nona exeunte Februario; quarta Indictionis.

In nomine Domini amen Anno ejusdem Domini M ccc XXI Indictione quarta, die secunda Martii in presentia Dominorum presbiteri Benevenuti vicarii Ecclesie S Marie de Castro Utini, presbiteri Michaelis de Fedemano, Folcherii de Scotis de Coneglano, Albertoli de Novate familiaris D. Patriarche Aquilegensis, Jacobi filii D. Mathei de Ragonea, Nicolai de Madano; Franceschini macellatoris de Utino; Guarienti de Utino, testium ad hoc vocatorum et rogatorum, et aliorum.

Coram venerabili viro D Johanne Abbate Sextensi et Reverendo patri et D D

Pagani Dei et Apostolica gratia s. Sedis Aquilegensis Patriarche Vicario generali, com_
paruerunt D.D. Mathiussius de s. Daniele, Berra q.m D. Mustul. dicti loci, Niculus
D. Cozonelli ipsius loci, Bertulus et Corradella fratres, filii q.m D. Tomasetti nomi_
nati loci, Tomas dudum filius D. Bertoletti memorati loci, habitatores de s. Da_
niele pro se, et pro Commune supradicti s. Danielis dicentes: Domine, per
literas Domini nostri D. Patriarche Aquilegensis preceptum fuit Dominis de Tricano,
quod deberent esse hodie coram illo cum omnibus eorum juribus et probationibus
tam super tollettis per illos factis hominibus de s. Daniele, quam super nostris
pratis, que sunt ultra Corgnuum, et super rosta molendini D. Rodulphi de Tri_
cano, de quibus inter ipsos, et nos est questio; et per supradictum Dominum nostrum
D. Patriarcham vobis est commissum jura partium audire, et depositiones nostro_
rum testium, et inter ipsos, et nos sententialiter diffinire. Quare vobis suppli_
camus quatenus depositiones, et dicta nostrorum testium legi faciatis, et secundum
commissionem per ipsum D. Patriarcham, sententialiter diffiniatis. Et e converso Do_
mini Leonardus et Jacobus q.m D. Jacobi de Tricano, dicebant, et dicere faciebant pro
se, quod ipse D. Vicarius eis alium daret terminum, quia illi volebant loqui et
habere consilium cum aliis eorum consortibus et sociis de Tricano. Et ibidem per
Albertolum familiarem dicti D. Patriarche preceptum et ordinatum fuit ipsi D. Vica_
rio, pro parte ejusdem D. Patriarche, ut amplius non dilataret, imo audiret jura et
testificationes partium, et diffinitivam inter eas ferret sententiam. Qui D. Vicarius
precepit mihi Tome notario suprascripto legere dicta Testium illorum de s. Danie_
le. Et dixit suo ore D. Leonardo Jacobo de Tricano, ut audirent depositiones testi_
um productorum per illos de s. Daniele, et si ipsi haberent aliquod jus et testifi_
cationes producerent, et producte deberent per partes eas audire. Illi autem illi_
centiati recesserunt, et noluerunt interesse, nec dictas testificationes illorum de s. Da_
niele audire. Qui D. Vicarius non obstante eorum absentia, visis et auditis rationi_
bus et testificationibus per illos de s. Daniele coram ipso et testibus supradictis per me
Tomam notarium subscriptum lectis, illis de s. Daniele dicentibus, illos de Tricano

esse in contumaciam, sententialiter pronunciavit, eos esse contumaces, et bene esse probatum per illos de s. Daniele tam super tolectis per illos de Tricano eis factis, quam super pratis et rota molendini ipsius D. Rodulphi de Tricano, quod ea prolatores obtulerant: et sententiavit etiam quod prata, que sunt ultra Corgnanum penes Tricanum, de quibus inter dictos erat, et est questio, et que sunt de D. Patriarcha Aquilegensi predicto, deinceps in perpetuum sint, et esse debeant de ipso D. Patriarcha; et que sunt de specialibus personis de s. Daniele, similiter sint, et esse debeant de illis specialibus personis; et quod illi de Tricano non habeant ad agendum ulterius super ipsis pratis a die que sunt bannita, et in banno posita illi de Tricano non possint, nec debeant pasculare quousque durat illud bannum: et bannum quod fit de illis pratis, sit factum per illos de Tricano, sicut per alios, et quando non sunt in banno, illi de Tricano possint pasculare in eis, sicut alii faciunt, non faciendo aliud dampnum. Item sententiavit, et per sententiam dedit, quod illi de Tricano satisfaciant, et satisfacere debeant massariis D. Patriarche, et aliis de s. Daniele omnia que per illos, et eorum conducta eis accepta fuerunt, secundum extimationem factam coram nominato Albertolo, et per me Iohannem notarium scriptam; et quod rota molendini supradicti D. Rodulphi moveri et auferri debeat a loco ubi nunc est, et non debeat poni, nec de cetero permanere super territorio illorum de s. Daniele. Quam quidem sententiam dictus D. Vicarius, sub obtentu gratie Domini nostri D. Patriarche Aquilegensis, et sub pena quam eis ipse D. Patriarcha accipere vellet, precepit inviolabiliter observari, et mihi notario subscripto scribere precepit, et ordinavit.

Rendiconto di Rinaldo della Torre Tesoriere

Taddeo da Palude Not.

In nomine Domini nostri Iesu Christi amen. Anno a Nativitate ejusdem millesimo trecentesimo vigesimo quarto indictione septima die tertiodecimo Februarii, Aquilegie, in Palatio Patriarchatus, ante cameram infrascripti D. Vicarii. Presentibus honorabilibus viris Dominis Johanne de Ossenago et Guidotino dicto Priora de Peraxonibus Canonicis, ac Henrico dicto Brandolino Mansionario Ecclesie Aquilegensis, et Eusebio filio D. Iacobi de Palude de Mediolano, et aliis pluribus ad hoc vocatis testibus et rogatis.

Cum venerabilis pater D. frater Johannes Abbas monasterii s. Petri de Rosacio Aquilegensis Diocesis Vicarius Reverendissimi Patris et D. D. Pagani Dei et Apostolice Sedis gratia s. Sedis Aquilegensis Patriarche, mandavisset venerabili viro D. Raynaldo de la

Turre Thesaurario Aquilegensis Ecclesie, fratri et Vicario olim bone memorie Reverendi Patris D. Castoni Patriarche Aquilegensis, quod ad diem hodiernam debeat coram se comparare ad docendum, seu ostendendum quid factum fuisset de pecunia Decime sexennalis exacta in Aquilegia et ejus Diocesi, Sede Aquilegensi vacante, per obitum bone memorie D. Ottoboni Patriarche Aquilegensis, et pro tempore prefati D. Patriarche Castoni, et cujus ad ipsius D. Raynaldi manus pervenisset dicta pecunia dicte Decime, et servabatur. Prefatus D. Raynaldus, tanquam filius vere obedientie, volens dicti D. ... humiliter parere ... coram eo, hora et termino sibi ordinatis comparuit reverenter dicens, quod pecuniam per eum receptam et exactam de Decima prelibata, ... D. Castono Patriarche ... mandato, tanquam mandato collectoris creati ... deputati per ... Papam in civitate Aquilegie et ejus Diocesis, omnes denarios dicte Decime sexennalis per ipsum habitos et receptos de dicta civitate et Diocesi Aquilegie, ... et assignari fecit, producens in testimonium predictorum quoddam memoriale in scriptis sibi exportatum de Avenione per Benevardum de Justinopoli, in quo quidem memoriali multa continebantur, et inter cetera que dictus D. Castonus Patriarcha mandabat eidem D. Raynaldo, quod Decimam sexennalem exactam debeat Venetiis, aut Padue consignare, seu facere consignari in loco tuto apud tutos mercatores, et omnem aliam pecuniam quam undecumque ... et recuperare, tam mutuo, quam aliunde sibi mitteret. Item in testimonium omnium premissorum produxit quasdam litteras sibi directas per dictum D. Patriarcham Castonum, ejus sub sigillo secreto integro et illeso sigillatas, unius quarum tenor ... in hac forma.

... Dei et Apostolice Sedis gratia S. Sedis Aquilegensis Patriarcha, Raynaldo de la Turre Camerario Ecclesie Aquilegensis dilecto fratri, et generali Vicario suo, salutem in Domino.

... nos recordamur tibi scripsisse per Benevardum de Capite Istrie et per alios quamplures ... ... Benevardum etiam informavimus quod recuperares omnem pecuniam quam ... tam mutuo quam ... de nostris redditibus recuperare posses, et ipsam pecuniam, omni dilatione remota, nobis mitteres; quodque deberes etiam procurare quod ... per quoscumque collectores Decime Papalis in Patriarchatu nostro constitutos om-

nis exacta pecunia dicte Papalis Decime apud bonos et securos mercatores in Venetiis,
vel in Padua conservetur ad hoc, quod quando nos contingeret mittere pro ipsa pecunia
capienda, ipsam possemus recipere omni causa cessante. Quibus litteris per nos tibi
missis respondere non curasti ex quibus animus noster turbatur vehementer. Quare
tenore presentium tibi precipiendo mandamus, quatenus ipsam pecuniam papalem requiras
a Capitulo nostre Aquilegensis Ecclesie, seu a Collectoribus, qui ipsam papalem Decimam col-
legerunt, procedendo contra dictum Capitulum et Collectores ejusdem Decime durius quam po-
teris si hujusmodi mandatum nostrum adimplere non curarent: super quibus nos per patentes
litteras nostras, quas tibi mittimus presentibus alligatas eis districte precipiendo mandamus
quatenus ipsam pecuniam, ubi dixeris ordinandum, debeant cum effectu facere consignari:
quas quidem litteras per te, aut per alium loco tui, eidem Capitulo volumus presenta-
ri de quarum presentatione facias fieri publicum Instrumentum. Volumus insuper
quod de ipsa pecunia ex eadem Decima recolecta, et quam subsequenter recolligeretur
cum alia pecunia, quam undequaque recuperare poteris, tam in mutuo quam de
nostris redditibus, facias fieri cambium in Venetiis cum mercatoribus de Scalis et
de Peruciis de Florentia ad melius quod poteris et de meliori foro, et quod ipsam fa-
ciant dicte societates nobis consignari in Romana Curia si ipsam ibi voluerimus, aut
in Janua aut in Neapoli simus quo eam voluerimus recipere et te de cambio fa-
cere, et quotiescunque facies fieri cambium facies fieri plures litteras que nobis desti-
nentur per Lumbardiam, et Tusciam, et Alamaniam, et hoc dicimus propter pericula
viarum, quia si unus de ipsis nunciis caperetur in via, et expoliaretur dictis lit-
teris, alius transibit sine impedimento; et ordines quod si omnes littere per-
venerint ad nos quod ipsi mercatores teneantur rescribere totiens, quoties erit
nobis legitime satisfactum de cambio, quod facies cum eisdem. Advertas tamen ne di-
ctum cambium cum aliquibus mercatoribus preter quod cum dictis Scalis et Pe-
ruciis et caveas bene te ne debeas aliquid agere cum societate Malborum quia
fecerunt ipsos legere Psalterium usque Defecit. In predictis autem taliter te habeas, quod
de negligentia ulterius non possis reprehendi sed potius de bona sollicitudine commendari.
Datum Avenione die trigesima madii indictione XV.

Tenor autem alterius littere per dictum D. Patriarcham Castonum [illegible] D. Raynaldo directe sic describitur.

Castonus etc. ut supra. Dilecto fratri suo Raynaldo de la Turre generali Vicario nostro salutem et in agendis providam habere diligentiam.

Recepimus litteras tuas datas D. Cronaca di Monza. Scrip. R. I. T. XII.

Porro ipsa die qua facta fuit rupta, venerunt nuncii in Moncia [illegible] in sero

et notificaverunt Patriarche de Forojulio, qui ibi erat, que acciderant. Tunc fugerant ipsa nocte de illis qui erant in Modoetia tam de Terrerlis, quam de forasteriis plus ... me ... ita, sic quod Terra erat derelicta. Patriarcha, de reliqui qui remanserant, si scivissent ubi ... fugere, nullus remansisset, quia putabant, et dicebant Mediolanenses adhuc hodie erunt hic, non poterimus resistere eis; per utm capient Terram, ... aterment nos. Et vix Patriarcha potuit teneri quod non recederet a plerisque providis stipendiariis suis fachones qui eum hortaverunt bonis verbis in spe adjutorii.

[illegible] Codice [illegible]

Anno domini [illegible] ccc XXIV indictione VIII die ultimo Aprilis ordinatum et firmatum [illegible] per Statutarios deputatos per consilium ad reformanda Statuta, ut [illegible] si aliquis in civitate aut [illegible] aliquam hominem masculum et feminam interfecerit [illegible] esset publica vox et fama [illegible] se defendendo quam aliter quoquo modo, [illegible] Communi solvat et solvere teneatur Communi Civitatis ducentas libras de [illegible] [illegible]. Et [illegible] asstiterit ad hoc solvat Communi libras centum [illegible]. [illegible] per [illegible] nulla securitas recipiatur ab eis, nec [illegible] in Terram et [illegible] Civitatis nec [illegible] nisi [illegible] Camerarii Communis [illegible] pecunia [illegible] dictum bannum. Et [illegible] [illegible] stet ad annum et diem extra civitatem et [illegible]. Si vero [illegible] interfecerit [illegible] civitatis seu [illegible] extra civitatem et [illegible] in [illegible] solvat eandem penam, et stet ad annum et diem extra civitatem, [illegible] et si extra civitatem et [illegible] non vicinus interfecerit [illegible] stet [illegible] extra Terram et [illegible]

Si vero in Castaldia Civitatis aliquis non vicinus interfecerit non vicinum, stet ad annum et diem extra civitatem et [illegible], et si aliquis [illegible] [illegible] [illegible] non obstante [illegible] fecerit aut [illegible] [illegible] vulneratum extra periculum mortis [illegible] civolegia [illegible] per sacramentum tenentur [illegible] civitatem seu [illegible] extra

eum tanquam si esset captus super maleficio. Si autem aliquis de Civitate aut Iuva aliquem talem receptaverit scienter, solvat pro quolibet et qualibet vice Communi libras Veronensium L. Ita quidem quod si Dominium ceperit aliquem ex hiis homicidiariis, et eum punierit in persona interficiendo eum, Commune nihil habeat de banno predicto. Et si Castaldio daret eum extra sub securitate, Commune habeat regressum ad dictum Castaldionem de dicto banno, ac aliam contra personam et bona dictorum delinquentium, ut est scriptum. Si vero malefactor fugam arripuerit extra Terram, si habuerit bona in Terra aut Castaldia Civitatis, Commune contra sua bona procedat ad habendam satisfactionem bonorum predictorum... Et si non habuerit bona, aut fuerit forensis, proclametur, et stet in banno Communis donec pecuniam solverit memoratam nisi per hoc iuri Domini in aliquo derrogetur. Sic etiam quod si malefactor punietur de persona, bona sua remaneant heredibus, seu proximioribus suis. Si vero fugam arripuerit Castaldio et provisores Communis possint bona sua intromettere et scribi facere, non accipiendo, aut alienando ea, sed super illis procedatur sicut dictum est, et de super abundanti bannorum, laude et sententia mediante, et ita quod inculpabilis pro culpabili nullatenus puniatur.

Anno Domini M.ccc.XXVI. Indictione IX. die tertia exeunte Aprili. Ordinatum fuit per Statutarios, et additum et declaratum, quod in predicto capitulo intelligantur Cividatenses omnes qui faciunt equites aut pedites pro Communi, et omnes qui habitant in Civitate et Iuva, sed non massarii aliorum qui habitant in villis, licet faciant waytam et schyrawaytam Terre Civitatis.

Item fuit additum et correctum, quod postquam homicida principalis solverit bannum ducentarum librarum Communi, nihilominus stet extra Civitatem et Iuvam per tres annos, nec habeat pacem cum heredibus, seu amicis defuncti. Et ille qui sibi astitit solverit bannum centum librarum Communi, et nihilominus stet ad annum et diem extra Civitatem et Iuvam, nec habeat pacem ab amicis defuncti.
